BRINA SET OF THREE DROP VASES

\$2,700

DESCRIPTION

From the Brina Collection, this set of three vases is superbly crafted by master Murano glassmakers. The vases have a dramatic teardrop silhouette with a wide base that tapers to an incredibly thin neck and mouth. The captivating gradients of color and opaque glass finish are the defining features of these vases. These pieces are best displayed as centerpieces on a table or a console alongside other pieces from the same collection for a bold look.
