BROK LIGHT BLUE PITCHER

\$125

DESCRIPTION

Rustic yet elegant, this pitcher is part of the Brik & Brok series of traditional objects of everyday use, handcrafted of ceramic in a palette of pastel colors that will add a sophisticated touch to any table. A reinterpretation of the Ligurian "tupin", a vessel used for wine, this pitcher displays a delicate light blue exterior and a white interior with a glossy finish: this rich, two-colored finish is obtained with three consecutive glaze firings. The perfect housewarming gift, this unique piece can be paired with the Brick Light Blue Jug to bring the taste of simple things to the table.
