## BROWN HORSE SCULPTURE

\$4,105

### DESCRIPTION

This majestic sculptural of a horse's head is designed to hang off a wall in a contemporary interior. It is crafted entirely by hand without electronic tools using iron rods with round sections drawn with metal foil and finished in brown-colored oil-synthetic varnish with details in black to render the nostrils and eyes of the animal. A superb decorative piece that is a modern work of art, this sophisticated piece will make a statement in a minimalist living room or study. Certificate of authenticity included.
