BROWN LEATHER/WHITE MARBLE MORTAR WITH PESTLE

\$105

DESCRIPTION

Fashioned of fine white marble, this remarkable set comprised of a mortar with coordinated pestle makes for a thoughtful gift idea for boats' owners to enrich their kitchenware collection. The brown leather bands with contrasting stitchings accenting both the elements lend the design its unmistakable tailored flair, made unique by the addition of a decorative, nautical-style knot. Check other color variants with the Concierge.
