BROWN VANITY DESK

\$8,050

DESCRIPTION

The elegant base of this vanity desk features a geometric shape with two bronzed metal slats: a semicircular connected to the front legs, and a straight that joins the back legs. Its elegant wooden frame stands on four conical legs with bronzed ferrules and features a top with curved edges and a single front drawer concealed in the wide border, decorated with horizontal carvings. Accessorized with a rectangular pivot mirror and two storage compartments with lids, this perfect powder room accessory can also double as writing desk, fitting seamlessly in traditional and modern decors.
