BRYOPHYTA ELLA VASE

\$1,150

DESCRIPTION

Intricately handmade with ancient techniques, this minimalist vase will be a superb table accent in a modern home. Inspired by geometric forms, its triangular silhouette is fashioned of stainless steel and covered in a soft blend of gray Merino wool and cashmere. A bold, rectangular mouth opens at the top and travels down one side of the vase, revealing the cobalt-blue interior. The smooth quality of the interior highlights the rough, tactile quality of the exterior, creating a captivating visual impact that will enliven any decor.
