BRYOPHYTA MEROPS VASE

\$1,270

DESCRIPTION

Inspired by organic geometric forms, this sculptural work elevates storage to art. Skillfully crafted, this intricate handmade piece features a triangular silhouette in stainless steel that is covered with a soft blend of Merino wool, cashmere, and silk. A large, rectangular mouth opens at the top, traveling halfway down one side of the vase. The delicate interplay between the yellow interior and moss-green exterior adds textural depth and visual harmony to the piece. Best showcased on a side table or console in any decor.
