BULBO DESK

\$4,900

DESCRIPTION

Timeless and elegant, this table was crafted entirely of cherry. It is distinctive for a rustic flair, particularly in the thick legs grouped in pairs along the short sides, each evocative of the shape of a flower's bulb (hence the name in Italian). This piece will be the focal point of a modern, minimalist dining room or study and can be paired with the Fish Chair by the same artist for a stunning effect.
