BULLET TABLE LAMP IN POLISHED BRASS BY STUDIO JOB

\$1,915

DESCRIPTION

This striking table lamp was shaped to resemble an enlarged bullet. Its body is in brass and bears the elaborate logo of the brand engraved on its center. The tapered top is in glass with a metal finish that gives it a dark color, which complements the golden hue of the lamp. Exquisite craftsmanship and contemporary sensibility mix in this unique piece that will make a statement in any decor and can be combined with the other Bullet Table Lamp in Copper by the designer.
