\$550

### DESCRIPTION

Fittingly named Buon Appetito, this dining set of white porcelain plates with a vibrantly-colored border will create a welcoming aesthetic on any table, whether on special occasions or everyday gatherings. Made by Tuscan ceramic artist Sandro Da Boit, the set includes bread plate, salad plate, dinner plate, soup plate, and dessert plate. The vintage-inspired border is a silk-screen printing by Ugo La Pietra and features a delicate checkered motif in a soft red color, accented with four bunches of grape.
