BUONGIORNO CANDLE WITH BLACK MARBLE CANDLE HOLDER

\$290

DESCRIPTION

A dark-hued box containing one matte black Marquina marble candle holder and one Acqua di Parma Buongiorno candle (200gr | 50 hrs). The candle is inspired by the scents of freshly cut grass and sun-dried linen, which bring an infusion of freshness and softness at the same time. Natural wood tones are softened by moss, lending warmth, roundness and comfort to the fragrance. Tasting notes: Italian lemon, mint leaves, rosemary, lavandin, jasmin, cedarwood, musk. The box features black, white and dark yellow motifs and shades, a pattern which was specifically realized for Artemest and Acqua di Parma by Giannini with the ancient technique of marbling.
