BUTO GLOSSY BLACK VASE/CANDLEHOLDER

\$190

DESCRIPTION

Smooth and playful, this striking piece of functional decor can be used as a single-flower vase or candle holder to add a refined accent to any modern interior. The ceramic body was worked on a lathe and showcases a glossy black finish, with an evocative wide base tapering up to an elegant neck inspired by a funnel ("imbuto" in Italian). This item is ideal to grace a sideboard or as an original centerpiece with the other Buto vases on a modern dining room table. It is available in matte and glossy white, matte black, or metallic bronze.
