**BUTTERFLY COAT RACK IN COPPER FINISH BY RICHARD HUTTEN**

\$2,930

## DESCRIPTION

This exquisite coat rack will be a charming addition to any decor. Made entirely of stainless steel, its vertical element rests on a round base and is covered by a series of butterflies positioned at different heights and angles, offering a versatile array of places to hang coats, hats, and scarves. This object of functional decor will enhance the look of any entryway and can be combined with the Butterfly Coat Hanger for a complete look.
