BUTTERFLY LARGE CLASSIC-STYLE LIGHT-BLUE TABLE LAMP

\$3,710

DESCRIPTION

A vibrant combination of light-blue with spots of gold, pink, and green, this table lamp has its eclectic charm actualized in a distinctly classic design enlivened by an artful decoration of butterflies. Arranged in a vivacious scattered ensemble, they seem to emerge from the light-blue-hued porcelain body as if they were flying against blue skies. The light flow radiating from above gets shaded through an old-style, pleated fabric diffuser.
