BYRON POUF

\$2,140

DESCRIPTION

This stunning pouf is a superb decorative addition to a modern interior, serving as a comfortable seating option in a modern living room. This elegant object of functional decor will make a refined statement, thanks to the superb cream and orange color combination of its non-removable upholstery, covering the polyurethane padding that adds comfort to the plywood structure. This versatile piece is best showcased as a standalone piece, paired with other pieces by Softhouse, and used as a footrest by an armchair.
