CA D'ORO BOX

\$100

DESCRIPTION

Part of the Ca D'oro Collection, this elegant box with lid is distinctive for the intense blue color of its bowl and the dynamic creases that enliven its conical shape. Entirely crafted of crystal, this piece is hand decorated and features a lid whose surface evokes the gentle movement of the water on the Grand Canal of Venice. Either as a catch-all in an entryway or as a versatile container in a bathroom or bedroom, this is a superb addition to both classic and contemporary decors.
