**CABARÈ TRAY #2**

\$2,850

## DESCRIPTION

Functional and decorative at once, this tray is a splendid creation by Valentina Giovando crafted of various materials assembled by hand in an original design of vintage flair. The rectangular wooden base is covered in fabric fixed with antique metal studs around the border and embellished with two classic-style brass handles. The dual pattern, cream diamond shapes on a light blue background and damask powder blue flowers, is created with remnants of fabric accented with sequins and fiberglass.
