CABRIOLE SOFA BED

\$24,450

DESCRIPTION

Interpreting the traditional cabriole sofa with modern elegance, this sofa bed is a precious addition to a classic interior, where it will provide comfort and glamour, while also serving as an extra bed for guests. The chic curls of the legs, reminiscent of the Louis XV period, and the single curved backrest with tufted texture are the distinctive feature of this piece. Metal inserts highlight its front silhouette, while the dark velvet upholstery gives a dramatic accent to this sofa. Sofa comes with five pillows, two with matching cover and three covered in satin pink.
