CAGE 3 DESK LAMP

\$1,350

DESCRIPTION

This elegant desk lamp features a structure in brass and a white fabric shade. The cylindrical shape of the piece is made of a brass structure that evokes the shape of a cage, giving the name to the series it is part of, that supports a white cylinder that hides and diffuses its light. Either alone, to illuminate the desk in a study or a console in an entryway, or paired with others from the same collection, this lamp will enhance any decor.
