## CAGE 5 COFFEE TABLE

\$2,810

### DESCRIPTION

This sophisticated coffee table uses two classic materials of glass and brass to create an elegant piece with a timeless charm that will complement any decor. The round base of the table supports a cage-like structure which in turn supports the glass top. The gold-like hues of the brass base and the transparent surface of the top elegantly complement each other and will enhance any decor, creating endless effects depending on how the surrounding light plays with the piece.
