CAGE 9 BAR STOOL

\$2,475

DESCRIPTION

Part of the Cage series, this stool can be paired with the Cage ottoman to create a cohesive series of seats in a living room. Its structure in brass evokes the shape of a cage, with its double-round base and its parallel brass rods. The top features a comfortable cushion upholstered with fabric elegantly decorated with a naturalistic rendition of leaves. Classic and sophisticated, this still will be a functional piece of elegant decor in any home.
