CAGE BLUE LANTERN BY STEFANO TABARIN

\$1,000

## DESCRIPTION

A singular accent piece to display in series in a garden or living room to create a subtly romantic, and cozy ambiance thanks to a soft and diffused light, this rechargeable lantern by Stefano Tabarin boasts a cage-like structure in a blue-lacquered metal rod. It will host three LED bulbs (1.2W, 80 CRI). Supplied with an electric plug, it has an autonomy of nine hours. Please contact the Concierge for additional technical specifications.
