CAIRO 2 DESSERT PLATE

\$75

DESCRIPTION

Inspired by the landscape and culture of Berber North Africa, this dessert plate is part of the Cairo collection and one of six different designs that boast a pastel-colored background adorned with fruit and flowers. In this case, the pale yellow porcelain plate is decorated with a series of large blooming flowers and oranges, imbuing a modern kitchen with the sensual warmth of a Mediterranean garden in the summer. This piece can be combined with others in the same series for a cohesive look.
