CAIRO 6 DESSERT PLATE

\$75

DESCRIPTION

Traditional craftsmanship and a timeless design create a piece of functional decor that will enliven any table, lending a refined air during an after-dinner dessert. This plate was crafted of porcelain and is part of the Cairo collection, an ode to the luxuriant vegetation of North Africa and the Berber culture. In this case, the pale yellow of the background is adorned with a series of large blooming flowers accompanied by a half lemon, representing the splendor of the Mediterranean.
