## CALCUTTA COFFEE TABLE BY MICHELE DE LUCCHI

\$8,050

### DESCRIPTION

A striking, original design by Michele De Lucchi featuring a square top in pietra serena (gray sandstone) with rounded edges supported by four cylindrical legs in a striped pattern of white Carrara marble and gray sandstone. The visually striking legs rest on feet composed of a rounded red travertine element on a yellow travertine flat disc that create a chromatic contrast and add a whimsical touch. Placed at the center of monochromatic seating furniture it will bring a sense of creativity and discovery to any room.
