CALIFORNIA CHAISE LONGUE

\$18,000

DESCRIPTION

Distinctly inspired by the seductive profile of 250 GT SWB Ferrari, this chaise longue is singular in its sleek functionality. The tubular trellis steel frame supports the slender, anatomical resting surface crafted of hand-molded flex wood with natural leather upholstery and calf leather only for the raised backrest and seat. The distinctive detail of the air vent grill set into the hood-like area is handcrafted of steel with little wings in polished aluminum.
