CALLE PRINCIPE CHANDELIER

\$19,760

DESCRIPTION

A modern take on an ancient classic, this candle chandelier is inspired by the traditional Venetian Rezzonico style of the 1700s. Infusing a dining room with refined sophistication, it is exquisitely handcrafted of fine Murano glass showcasing a clear crystal hue. Its two-level structure with sinuous arm, delicate bobeches, and pendant charms rests on a polished chrome frame that lends it an additional modern quality.
