CAMEO COFFEE TABLE

\$10,080

DESCRIPTION

A magnificent piece of functional decor, this coffee table is sure to make a statement in any decor. Its large, square base is in wood and was hand painted with silver leaf. The wooden top was painted by hand in black with corners in gold leaf. The center is adorned with a square in black Marquina marble, framed within four inserts of white Sivec marble. The effect is sumptuous and timeless, providing a precious base to display collectibles while also enriching the look of a living room.
