CAMEO GREEN DINING CHAIR

\$6,080

DESCRIPTION

Refined and timeless elegance characterize this dining chair of the Notre Dame Collection. Enriched by a lavish cast glass cameo depicting a Renaissance noblewoman's profile, this sophisticated chair has a tall, contoured back and a soft cushioned seat upholstered in light sage Rubelli fabric. The silhouette's soft curves juxtaposes the angular design of black-lacquered wooden legs. Available also in soft pink velvet or grey "silvery" fabric, please inquire about pricing in these options.
