\$8,280

#### DESCRIPTION

This magnificent mosaic, measuring 22.5 x 29.5 cm was assembled by hand using semi-precious stones. The lovely interior scene that it masterfully depicts is a room with an open window facing the majesty of the Florentine landscape, with cypresses and the dome of the Duomo di Firenze. The vivid colors and naturalistic sensibility of the piece make it a one-of-a-kind masterpiece to adorn any home. A precious decorative frame in wood encloses the piece, giving it a classic allure.
