CAMOMILLA FRUIT BOWL BY ETTORE SOTTASS

\$2,050

DESCRIPTION

Camomilla is a fruit bowl belonging to The Indian Memory Collection designed by Ettore Sottsass. First produced in 1987, this is a 2017 version, and it is named after the Italian word for "camomile" because of its pale yellow shade. This fruit bowl has an ethereal quality that will brighten any interior, its vibrant pastel-yellow hue infusing calm while its spiky and round shape is lively and full of movement.
