CAMPIELLO KARKADÈ PACAE VASE

\$390

DESCRIPTION

Part of a limited series of 99 pieces designed and made by master Paolo Crepax, this vase was mouth-blown by this legendary glassmaker and signed with a diamond point. The bright orange color, evoking the delicate shades of the karkadè tea, is a traditional color in Murano artifacts. This one-of-a-kind object comes with a certificate of authenticity and, because of its artisanal manufacturing, color and shape can slightly vary from the picture.
