CAMPO DINING TABLE

\$6,150

---

## DESCRIPTION

This striking dining table was designed by Franco Poli exclusively for Morelato. Characterized by severe geometry and clean shapes, the legs support the precious top (that features five removable trays) with the help of legs joined together with a special fork-shaped element. This piece is entirely made in ash wood and can be used as a table in the kitchen, or as a spacious desk in the study.
