CANALETTO TABLETOP PICTURE FRAME

\$1,980

DESCRIPTION

This square picture frame will lend class and sophistication to any room while displaying cherished memories of momentous occasions. Handcrafted of ebony and maple, it sports simple lines enriched by the contrasting hues of the two woods. The recessed maple frame tapers into a square (25 x 21 cm) bordered with four thin sticks to convey the focus on the displayed picture. The back is in ebony decorated with a thin border and rectangular pull-out easel backing in contrasting maple. This frame provides an elegant way to curate an inviting entryway or bring a personal touch to a room.
