## CANALETTO WALNUT/BRASS SIDEBOARD

\$9,400

---

### DESCRIPTION

This refined sideboard, designed by MRZ Architetti, is crafted from MDF beautifully veneered in Canaletto walnut on the outside, and featuring a matte, black lacquer on the inside. Boasting an elegant ribbed design gracing the sides for a refreshing update on an otherwise simple design, this piece is equipped with four drawers embellished with linear handles in satin brass. Sealed by a smooth top, the design is raised on slanted, tapered feet in embossed, black-lacquered iron accented with bright, satin-brass tips.
