CANDLESTICK #5

\$310

DESCRIPTION

A testament to creativity, this ceramic candlestick is distinguished for its exquisite decoration and sculptural quality. Hand-crafted of white glossy ceramics, this Baroque-style candlestick stands elegantly on a footed base and is entirely decorated with scrolls and floral shape. The striking hand-applied design is inspired by the Turkish Iznik ceramic tiles. Displayed on a dining table or on a console, this unique candlestick will infuse sophistication in any modern-styled home.
