CANDY RUG

\$7,030

DESCRIPTION

Captivating in its simplicity, this elegant rug boasts a whimsical design of colorful, irregularly-shaped concentric circles. The piece is distinguished for its dynamic combinations of light pastel colors of lavender, sky-blue, and blush and complementary dark purples, mustard, and yellow hues, rendered in wool and bamboo fibers. This colorful and organic design adds textural depth to the composition. A truly unique piece of decor, this rug will be a perfect addition to a children's room, nursery, or play den. Entirely customizable, please contact the concierge.
