DESCRIPTION

Ideal as elegant desk in a study or exquisite console in a living room or entryway, this superb piece of functional decor is a precious addition to any home. It was designed by Joe Gentile and Fabio Crippa of Studio ADL and boasts a top in white Statuario marble with 45-degree "scatolato" joints, combined with MDF panels finished in matte white. The top features also an insert in leather and three frontal drawers with interiors lined in fabric. The base in metal has a sophisticated finish in glossy black.
