## CAOS METALLICA DESK BY CARLO RAMPAZZI

\$37,800

### DESCRIPTION

Mixing contrasting textures and shapes, this stunning desk will not go unnoticed and will add an eclectic decorative accent to a modern or contemporary study, where its imposing size will serve as functional working surface. The wooden frame comprises a rectangular top supported by two ornate legs on one side and by an oval-shaped base on the other, which is adorned with a front in textured bronze. The varnish of the piece is in Real Copper, which contains 95% of copper. This superb object of functional decor can be combined with an Opus chair for an edgy look. Designed by Carlo Rampazzi.
