CAOS SIDEBOARD

\$14,230

DESCRIPTION

Part of a limited series, this one-of-a-kind sideboard is completely covered with solid durmast blocks of different size and shape patiently wedged by hand to create a geometric pattern. The raw wood is treated with natural oils to preserve and enhance its grain. The structure is composed by two lateral compartments with hinged doors and two adjustable shelves inside. The central part is composed by two deep drawers and the top one contains an additional hidden smaller drawer. A truly unique piece of great visual impact that is sure to be noticed.
