

# ARTEMEST

TABLETOP : GLASSES & DRINKWARE : PITCHERS

*Griffe Montenapoleone by Vetrerie di Empoli*

**CAPRICCIO ONDA GOLD BOTTLE**

\$1,555

## DESCRIPTION

This magnificent piece of functional decor will bring a touch of luxurious elegance into any home. The body and lid of the piece were entirely made in crystal that was carved from the solid glass into a waving shape that is dynamic and sophisticated at the same time. The whole piece was then painted by hand using pure gold, creating a unique, one-of-a-kind object that can be used to store and serve whiskeys and other liqueurs.
