ZODIACO CAPRICORNUS DESSERT PLATE

\$85

DESCRIPTION

This dessert plate is dedicated to the astrological sign of Capricorn. The whimsical figure of an ox with the bottom of a large fish is elegantly rendered along with other black and white decorations, which are strikingly complemented by the bright red of the small symbol of the sign, along with the golden lines that cover the plates and ornate their edges. Part of the Zodiaco collection introduced at the Salone del Mobile in Milan in 2017, this plate is a superb example of artisanal craftsmanship.
