CAPSEP18 FLOW 4

\$240

DESCRIPTION

Dramatic, joyful and poetic. The guide that will enlighten your path in this journey is color. It is the key element, the Genesis. Color becomes a tough judge who establishes different combinations, sensory perceptions, tones, shades and contrasts due to its ability to move beyond matter and to become light. Each piece is executed on a richly structured vinyl support, fire resistant and easily washable with water and neutral soap. Please contact Concierge for details. Price is per square meter.
