## CARAMBOLA CHAIR

\$1,745

### DESCRIPTION

This elegant chair designed by Maurizio Duranti uses a combination of wenge, cherry and ash wood that gives a distinctive chromatic effect to the clean lines of this piece. The four polished brass legs, diagonally placed to celebrate mid-century charm, support the round seat and the backrest, featuring five buttons, wraps comfortably around its guest, making this precious piece of furniture also welcoming and comfortable. Please ask the Concierge for customization and details. Contract and commercial certifications available upon request.
