CAREZZE LUXE CANDLE

\$130

DESCRIPTION

This precious, pure soy wax candle (400 gr) will deliver a delightful fragrance of vanilla and berries, recalling a relaxing after-dinner bath with fruity-scented steam imbuing the air. Making for a total burning time of about 90 hours through the cotton and paper wick, the candle is housed in a fine porcelain container designed by Taitù Milano that adds vibrancy to the Festina Lente Home logo of the crab and the butterfly. The candle is GMO-free, phthalate-free, vegan, and cruelty-free. A luxury box completes the design.
