#### DESCRIPTION

Offered in an elegant cardboard box matching the design of the glass bottle in matte black, this homemade fragrance diffuser employs a non-toxic and non-flammable solution (100 ml) for its scent exceptionally delivered through thick reeds in natural fiber. A caress ("carezza" in Italian) that smells like the last spoonful of raspberry and vanilla cake before taking a warm bath is here rendered in a fruity and enveloping fragrance that is vegan, phthalate free, and cruelty-free.
