CARMEN CARMINE RED ARMCHAIR BY ANGELETTI RUZZA

\$2,555

DESCRIPTION

The Carmen Armchair is a spectacular design by Angeletti Ruzza, exuding a bold romantic charm and utmost refinement. An exquisite combination of carmine red shades, it features polished metal legs whose straight lines elegantly match the clean profile of the wooden shell, padded with polyurethane foam and upholstered with a darker red fabric. The arm and back cushions are softly padded with fiber and goose feather down and upholstered with the same fabric as the seat.
