## CARNELIAN STERLING SILVER PRISM CUFFLINKS

\$360

---

### DESCRIPTION

Sophisticated and timeless, this stunning pair of cufflinks will add a refined accent and colorful detail to any elegant occasion. Identical toggles and faces in prism-shaped carnelians are mounted in sterling silver with a post in the same material on which "Jona 925" is engraved. The combination of the warm red of the carnelian and the cool brilliance of silver creates a striking decorative effect.
