CARRARA MARBLE RECTANGULAR 11-LIGHT CHANDELIER

\$15,460

DESCRIPTION

A contemporary take on a classic candelabra, this chandelier will effortlessly adorn any room of the house, particularly when displayed above a dining table, an entryway console, or even illuminating a bathtub. Suspended on a gold-colored metal structure, it features 11 candle-shaped shades composed of a Pyrex glass half and a white Carrara marble one, both containing a lightbulb. The light diffused will be soft and intimate when only the marble part is lit, and a bright and intense one when both bulbs are on. Customizable finishes upon request, please contact the Concierge for details.
