CARRARA MARBLE ROUND 6-LIGHT CHANDELIER

\$6,130

DESCRIPTION

A striking sculptural objet d'art that functions as chandelier, this piece will make a bold statement in a contemporary interior. Mounted on a circular gold-finished brass structure, it features six shades that enclose a G9 LED lightbulb in between a shiny layer of brass and a refined piece of white Carrara marble, creating elegant and mesmerizing interplays of lights and reflections that enhance the natural veining of marble. Other finishes are available upon request, please refer to the Concierge for details.
